ROB ROSSI

Michelin-Starred Chef | Restaurateur

Michelin-Starred Chef Rob Rossi has more than earned his seat at the table with the best chefs in the world. Having worked his way up the ranks in some of the best kitchens in Canada, including Canoe, Habitat, and Mercato, Rob opened his first critically acclaimed restaurant, Bestellen, in 2011, and followed its incredible success with Giuletta (2018), and Osteria Giulia (2021), which received a coveted Michelin star in 2022. With Rob's dedication to creating unforgettable dining experiences, along with his authentic warmth and charisma, Rob is a natural choice for brand partnerships of all kinds.

Also a Food Network Canada fan favourite as the runner-up in the first season of *Top Chef Canada*, and as one of the former stars of *Chef in Your Ear*, Rob has also co-hosted *Chef's Bar* with Craig Harding, a show which celebrates Canada's incredible food diversity, featuring mouthwatering meals inspired from eight provinces and two territories.

Rob lives in Toronto with his wife and young daughter.
