LITAL MAROM

AI Visionary & Innovation Strategist

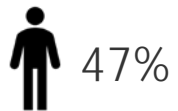

Globally recognized as an AI visionary and innovation powerhouse, Lital Marom helps organizations navigate complexity and turn disruption into growth. A trained engineer and seasoned entrepreneur, Lital began her career building computer systems in Europe before leading global sales and strategy for Fortune 100 teams across three continents.

Lital's innovation firm, UNFOLD, helps global brands leverage disruptive technologies and systems thinking to scale smarter and stay ahead of the competition. Through The Academy of Tomorrow, she equips the next generation of leaders with the creative skillsets and growth mindsets they need to thrive in the age of AI. Her content and keynotes bring a rare mix of bold vision and real-world expertise – shaped by years leading global brands and building companies from the ground up – to help audiences translate AI into real business outcomes.

How To Choose The Right AI Initiatives: 16 Tips For Company Leaders

The rapid rise of generative AI is transforming business, creating opportunities and uncertainties. Companies must strategically adopt AI, balancing agility with long-term goals, rather than chasing short-term trends. Sixteen Forbes Coaches Council experts share insights for navigating this dynamic landscape.

Q&A with LITAL MAROM

by Kelly Parker

Born in Israel, Lital Marom attended university shortly after finishing her mandatory military service. After graduating as an engineer, she moved to Europe to build computer systems before advancing to lead global sales and strategy for Fortune 100 teams across three continents. When she decided to leave the corporate world, Lital moved to New York City to begin her entrepreneurial journey, eventually founding four companies, including her innovation and management consulting firm, UNFOLD, and the leadership and development institute she dubbed The Academy of Tomorrow. She is a frequent keynote speaker focusing on innovation and digital transformation, new economies of scale, growth strategies and the future of work.

Lital is available to partner with brands for a variety of initiatives, including:

- Spokesperson roles
- Media appearances
- Digital video and television ads
- Event hosting
- Speaking engagements
- Guest appearances
- and more
